RE: Procedure Addressing Implementation of South Carolina General Assembly House Bill 4375, Including Provision of an Experimental Rate as Referenced in S.C. Code Ann. Section 58-34-20
Docket No. 2018-217-E

Dear Ms. Boyd:

In its letter dated July 6, 2018, the South Carolina Office of Regulatory Staff ("ORS") notified the Public Service Commission of South Carolina ("Commission") that ORS had not yet received the Excel supporting documentation required to verify the Decrement Rider for each rate class from South Carolina Electric & Gas Company ("SCE&G") and that ORS would apprise the Commission after such documentation had been received and reviewed. SCE&G provided ORS the required documentation and ORS has now reviewed the tariffs filed by SCE&G with the Commission on July 13, 2018, and the supporting documentation, and determined that the rates as filed were accurate.¹

Sincerely,

Andrew M. Bateman

¹ The ORS review consisted of determining whether SCE&G's rates complied with Commission Order No. 2018-459.
